SUMMARY

I completed my MCA in 2024 and passed out of BCA in 2022. After that, I joined as a Process Executive. But I have an interest in development, so after finishing BCA and while working as a Process Executive, I utilized my time to study and self-learn frontend development. Now, I have strong knowledge of frontend development. So currently, I am waiting for frontend development opportunities.

WORK EXPERIENCE

Process Executive, Zakapps Private Limited   **Nov 2022 - Present**

- Researched Smyths competitors' products, pricing strategies, and stock availability to gain a comprehensive understanding of the market landscape, enabling strategic decision-making and positioning.
